Attachment to Information on the facily of Sundvik

Sundvik's our secount of his supper with metoly Elthayloviah Elizev (201-2)4555) on 26 April 1951.

Sundvik's even account of his trip to lacinared 20-13 Arri 1:61.

Boodine interrogated bunchik again on 2 har, at which time the la him the two reports that he had been saked to prepare (Atheboent B sudo s nothing turned up that the not been reported earlier or first was not included in the reports Indvik had prepared, no separate account of

I. Sundial is no longer with the Enberry. Bucauta of his poor lob performance (the was on probation at the time), of his pheatery background, and the diagrap as a security risk thudrit was anked to renign his position the Prising on 5 May. He left on the sorning of that date & but we constitut that his remination is not effective with 19 May 1961.
